

PAUL DAVIES MBE

'I broke my neck at C4 level whilst playing rugby for my regiment in the Army in 1983. As Team Manager of the Great Britain Wheelchair Rugby Paralympic Squad, I took them to two European Championships in 1997 and 1999, the World Championships in 1989 and the Sydney 2000 Paralympics. My time in sport and the business world has taught me valuable life skills and business acumen and I bring these to my work as a Trustee of SIA.'
