

FAISAL HUSSAIN

'I am a C6 tetraplegic (since 1989), married to Rachel and live in Leicestershire with our two Siamese Cats.

I am passionate about disability rights and improving access to work and leisure opportunities for disabled people and have worked in partnership with many employers to address and remove potential barriers. I follow politics and current affairs with a keen eye – especially where these affect disabled people.

In my leisure time I love listening to music, particularly my old vinyl collection, going to the theatre, concerts and cinema – being a huge film buff. I love travel and particularly cruising as things have become more accessible.'
